## **BENEATH THIS CROSS**

"EDUCATION FOR CHRISTIAN LEADERSHIP" is the abiding purpose of Northwestern College.

Student life, therefore, each year enriches the heritage which William Bell Riley, founder of the College, purposed:

OPPORTUNITY to study the Bible and Christian Missions under competent faculty who trust the infallibility of the Bible as the Word of God . . .

ENCOURAGEMENT in the development of a wholesome Christian personality through participation in social, devotional and recreational activities . . .

GUIDANCE toward active citizenship and responsible international understanding . . .

COUNSELING for each student toward his full assurance of God's will in a career-goal or life-service appropriate to his ability and circumstances . . .

THE PEACE OF CHRIST as a heart-rule of life, helping one another along the right road, singing the Lord's praises with joyful heart. . . . In whatever work, doing everything in the name of the Lord Jesus, giving thanks to God Our Father through Him.

The 1959 SCROLL invites you to a word-and-picture sharing of this Student Life at Northwestern College.

*Surtis B. Benson*

## **DEDICATION**

Vital to Northwestern's aim of Education for Christian Leadership is a teacher who is both called by God and dedicated to his task. To you, Professor John Dahlin, for demonstrating this in integrating history with His story and alerting us to the responsibilities of citizenship, we gratefully dedicate the 1959 Scroll.

*Eph. 4:11 "And He gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers."*

## ***Student Activities***

**T**HERE is a good possibility that some day you will be viewing the Campus and Athletic Section of the Scroll as I am doing, rehearsing in your mind the many pleasant conversations and social good times with yester-year students. Each class seemingly owns its own "character," a student who represents the "laughs"; an athlete who excells with a testimony. Really, it doesn't matter to you who they might be as they were part of your school at that time.

Don't you often wonder what those "characters" are doing *now*? Where did they move? Whom did they marry? Are they serving the Lord? Are they on the mission field? Have they reached the "Full measure of development" in Christ as Paul brings out in Ephesians 4: 13 (Moffat)? Are they real Christian leaders? *This* is what Northwestern seeks to accomplish through its varied activities that are offered.

Christian Leadership infers proper development which in turn means proper "food." No student can be an effective leader without the Word of God. To my knowledge, no school function has ever left out His Word. It has opened or closed with prayer. Somewhere in the program devotions are included. The Lord is acknowledged. What an environment for a young man or woman to reach Christian maturity and to become an effective Christian Leader!

*Fred Wolkenstein*

## **SCHOOL DAYS ARE HERE AGAIN . . .**

**BUS-TICKETS**, scheduling, rescheduling, and worn-out fingers all add up to make Registration Day at the college a very busy time.

**MR. DAVIS**, too, finds problems with class schedules that take time to work out.

**SOME**, like Chuck Hastings, just plain get "worn-out," so for a few quick moments he stops the rush and worry to grab twenty winks.

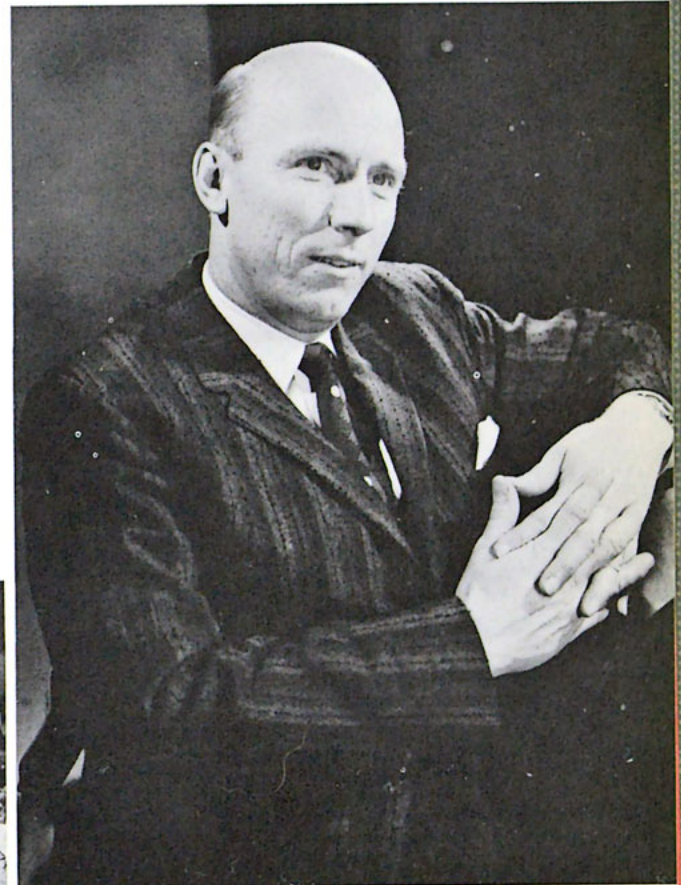

## **FACULTY ... AT THEIR BEST**

WITH DR. AKENSON as Interim President, Northwestern has witnessed the blessing of God upon the school.

FUN, fellowship, and food are shared by the faculty even during a busy schedule.

WITH "only a few hairs" Mr. Berntsen finds posing for pictures can become a toll-some task.

MRS. W. B. RILEY reviews "the days gone by."

N. W. students enjoyed an evening of inspiration in word and song presented by the Chinese Christian Fellowship group from the University of Minnesota.

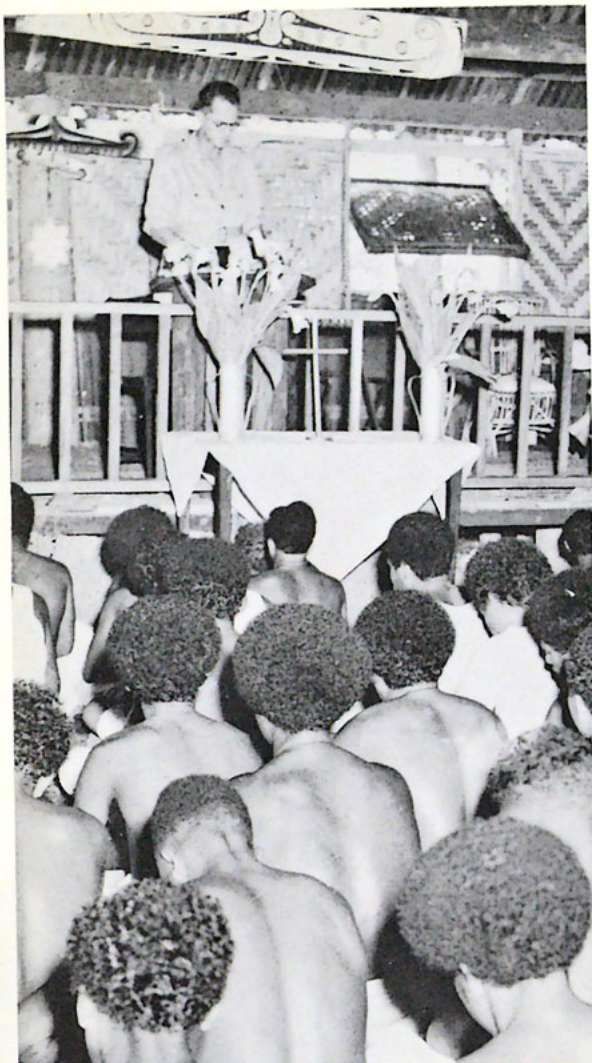

## **F. M. F. PRESENTS . .**

Missions on the March began the school year with "Power in the Night." The prayer band leaders represented the country whose prayer band they head at Northwestern.

Mr. John Mosinan was featured in another F. M. F. night and drew Equadorian scenes. Mr. Mosinan is affiliated with HCJB in Equador.

Nigerian Christian Africans are busy preparing themselves to do a job for God. They were reached because some answered the call of God to go.

## ***“THE HARVEST TRULY IS PLENTEOUS . . .”***

In New Guinea the men have come to hear about the claims of Christ on their lives, and once again are challenged to give their lives to God.

“He that hath the Son hath life; and he that hath not the Son of God hath not life.” (I John 5:12)

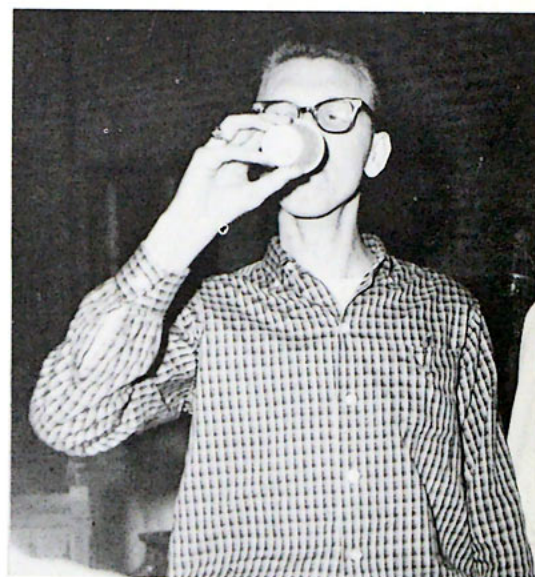

"SONGS in the night" as Ardith Hunt and her accordion lead the hymn sing.

STEVE SHELDON and Al Widder join in the relay games.

A BROOM, a camera, and a piano are all part of what seem to make the evening an enjoyable one for Bob Wiley, Marlene Cripe and Diane Samuelson.

NOT EVEN a retreat is complete without food and something to drink, as our thirsty friend, Jim Geiszler, soon discovered.

**AH! . . .**

**SCHOOL RETREATS**

**THE DELIGHT** of tasting "Toe Jam" for the first time is experienced by Arlene Sailor . . . with the decision that this will be the first and last time she does any such thing blindfolded!

**DR. HARTILL** adds to an evening's festivities with his brilliant oration that made two new furrows in his brow and six new stitches in the sides of his audience.

## **THE LIGHTER SIDE . . .**

**WAX**, window spray, Atlas Batteries, and cleaner seem to set the mood for the Coach.

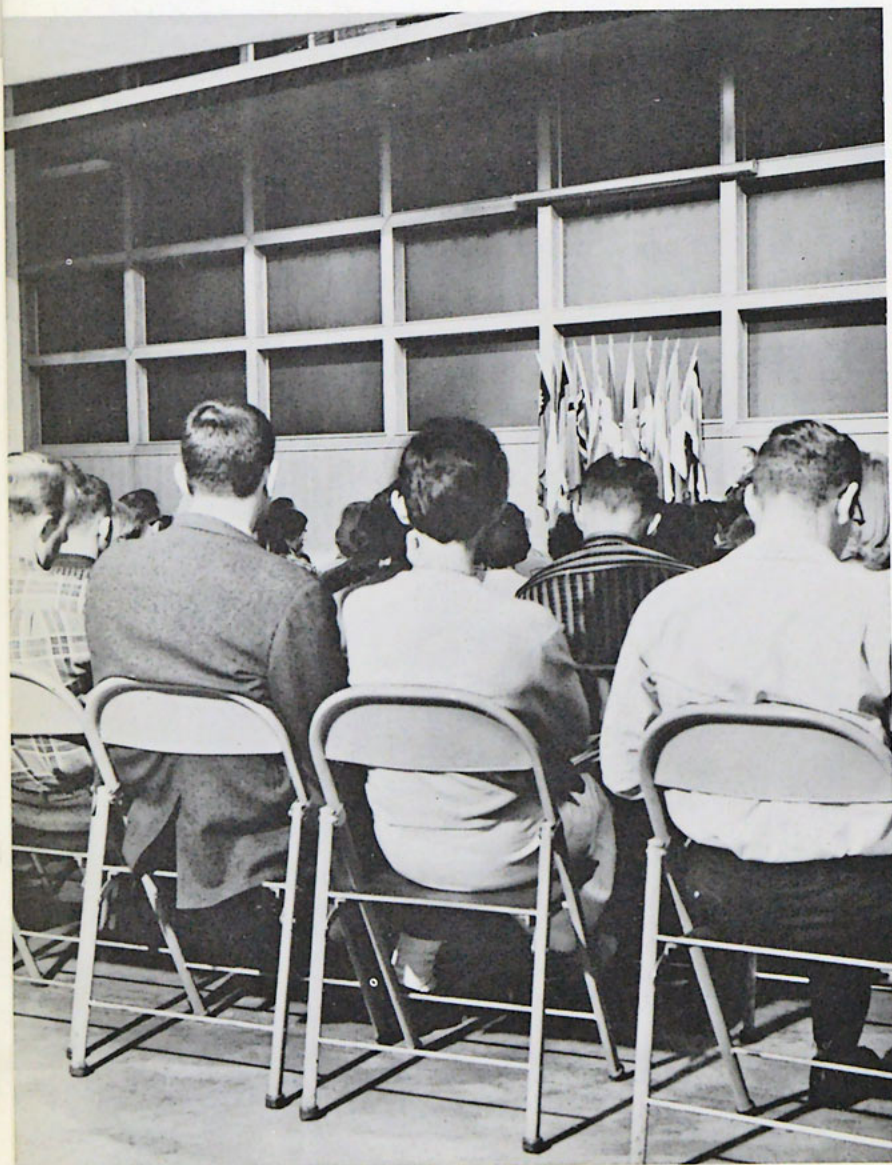

**IT'S DOUBTFUL** that Wheaties are any longer "the breakfast of champions . . ."

## **"WORSHIP THE LORD IN THE BEAUTY OF HOLINESS..."**

To NORTHWESTERN STUDENTS, chapel time is set apart that they may worship and praise the Lord together. Every day for a half hour students and faculty meet together in Memorial Hall. Radio Stations in Minneapolis, Waterloo, and Fargo broadcast the service thus enabling the listening audience to know of the blessings we at the College enjoy. It may be music chapel or one conducted by the students themselves; it may be the time when a faculty member is introduced to all; it may be a local pastor, an alumnus, a missionary. Each has a different emphasis, but each seeks to bring honor and glory to the Lord and to add to the growth of the Christians.

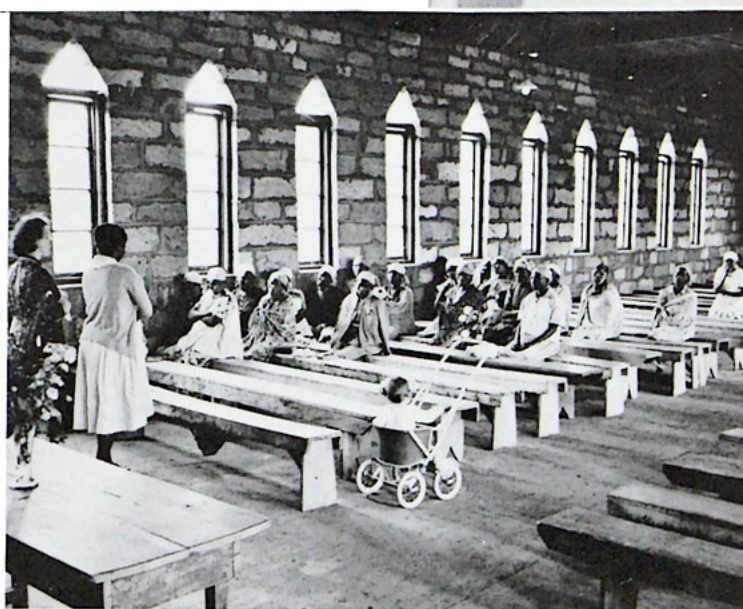

**MEDITATION** in Chapel

**DR. NIDA** presents an informative and challenging message on the linguistic problems, anthropological findings and the need of evangelical men and women on the mission field.

MRS. W. B. RILEY spoke to the faculty and student body after returning from an extended trip to Europe and North Africa of the need for Christian men and women to serve the Lord in many of these countries.

EVEN AS WE WORSHIP together during the Chapel Time, Mission speakers cause us to think and remember in prayer those who are meeting together in foreign fields to worship the Lord.

**"A GOOD SPEECH, BUT  
THE VERDICT IS THE THING."**

OFF to a debate tournament! The teams are ready with their propositions to go all out to win for Northwestern.

PATSY MILLER has done well this year in dramatic readings having several "firsts" to her credit. Here we see her in "Our Town."

MARLENE CRIPE and Iris Maurer keep the interest of the audience high as they act out scenes from "Just What They Wanted."

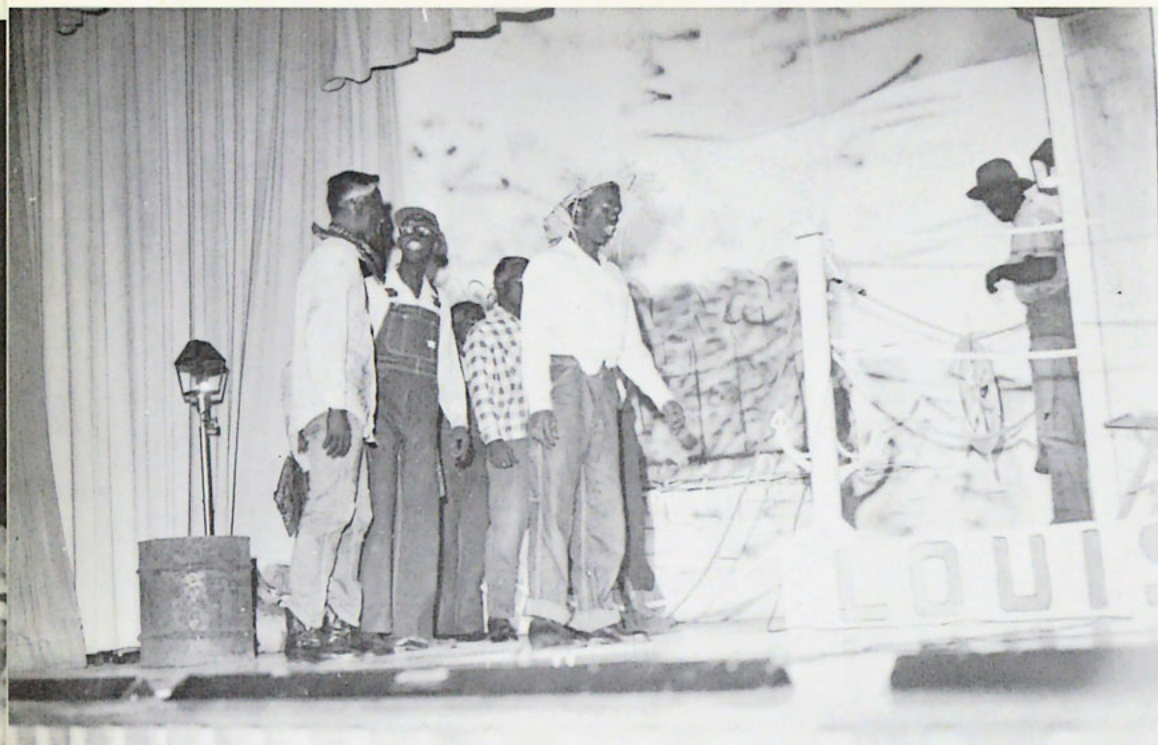

PATTI WIENS reads the story "The Littlest Angel" to her brothers Tom and Mark.

A CHORAL READING of the Christmas story from the book of Luke. The Oliver Mogck children interspersed the reading with Christmas carols.

**"'T WAS THE NIGHT  
BEFORE CHRISTMAS . . ."**

WHILE the "Louisiana Bell" docked to unload cotton, the "Southern Negro workers" sang spirituals to lighten the weight of their work.

## SOUTHERNERS JOIN IN "DEEP RIVER"

SOUTHERN GENTLEMEN and ladies, singing Negroes depressed under the burden of work, heartache and happiness, characterized the Fall Formal theme, "Deep River." The program took place before the Civil War when slavery was still in existence.

BILL (Bob Blanchard) and Magnolia (Juanita Hummel) listen sympathetically as Miss Julie (Jan Graber) sings about the death of her lost love.

**DEACON** Brown (Dick Wiens) brought the Sunday morning message, "The Creation," to the Negroes.

**HOSTESSES** for the evening were Beverly Stroup (not pictured), Sharon Johnson, Mary Kay Farmer and Kay Berdan.

**WHILE** refreshments were being served, the "Southern Quartet" was heard in a number of spirituals.

**MR. DUPREY** (Les Slater) and **Dr. Haggett** (Don Malley) shake hands on a matter involving the painting of Chris Bean; all of which leaves **Mr. Davenport** (Jim Shaner) rather unhappy.

**ABBY** (Patsy Miller) discloses that "not only do I have all his paintings, but I was also his wife."

**ANOTHER VISITOR** comes to the Haggett home only to find himself listening to Abby's compliments about the "Late Christopher Bean."

**WARREN CREAMER** (Tom Wright) would be an artist; the proper pose of Susan and Ada Haggett should prove his ability.

**DR. HAGGETT**, not impressed by Warren's desire to become a painter, is less impressed by his affection for Susan (Donna Baker).

## **"THE LATE CHRISTOPHER BEAN"**

AFTER APPROXIMATELY twenty-six practices, and untold man-hours of work, the Late Christopher Bean opened amid laughter and smiles. Set in rural New England during the depression years, it pictured the efforts of Dr. Haggett's family to gain fortune, even at the expense of others. Dr. Haggett prided himself on his ability to resist the temptation of being greedy — resist, that is, until the real temptation comes.

SOMETIMES being a band director is tiring, so Mr. Bisdorf sits to relax.

MR. BISDORF has directed the band for four years.

THE "WINDS" play an important part.

## **I MIGHT EVEN ENJOY THIS!**

THE NORTHWESTERN COLLEGE Concert Band offers an opportunity to those who play woodwind, brass and percussion instruments to gain experience in the art of ensemble playing. Experience in public performance is gained through the appearance of the Band at concert programs, chapel services, the annual tour—together with its appearances at athletic events.

## SUDDENLY A FEELING

THE A CAPPELLA CHOIR numbers approximately sixty voices chosen on a competitive basis from the entire student body. Scholarship, Christian character, and musicianship are considered for membership in the Choir. Through the years, the Choir has maintained a two-fold objective: a musical presentation of the gospel, and the cultivation of an appreciation and understanding of all that is finest in choral literature. Each year a choir tour covering many states is taken.

AT THE CHRISTMAS season the Choir presents its annual Christmas concerts in Memorial Hall.

MR. WILLIAM B. BERNTSEN, director.

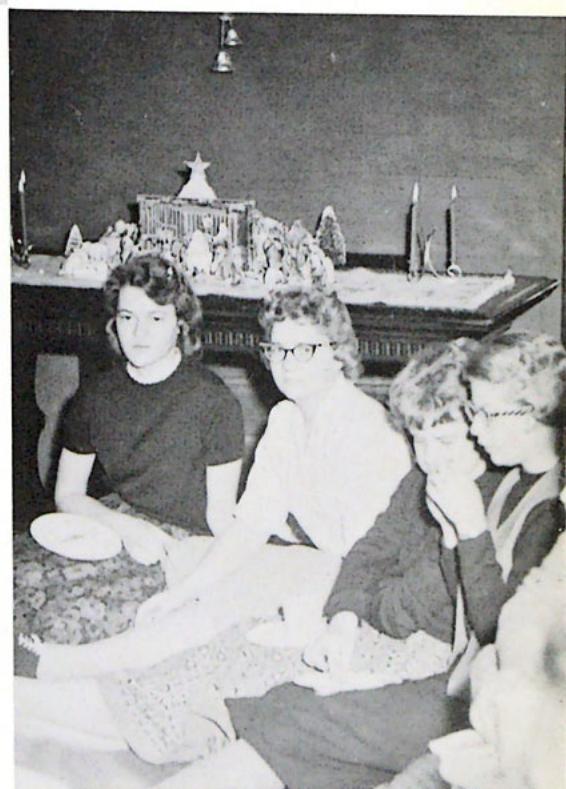

MR. BERNTSEN gives final instruction before a concert.

**MRS. HAUSCHULZ** cuts the cake for the Christmas party for the freshmen girls in Stimson Hall.

**RAY KOOYER**, with the help of other students, puts the bulbs and tinsel on the tree.

**CHRISTMAS** parties and the thoughts of going home never overshadow the fact that Christ was born . . . a Saviour.

**"ON THE FIRST DAY  
OF CHRISTMAS . . ."**

**A TUG-OF-WAR . . . struggles and cheers all play a vital part.**

**EVEN the faculty add to the laughs! They portray characters from the pretty Indian squaw to the lusty Italian singer.**

**GETTING to know each other.**

## **FUN NIGHT FOR ALL**

**LOADED** and on the way, the band leaves to play their first concert.

## ***BIG SQUEAKS AND LITTLE TOOTS TAKE A TOUR***

THIS YEAR the band tour carried them through Wisconsin into the Milwaukee and Chicago area; then back into Iowa before returning in time to start the second semester. Although such a tour is a time of enjoyment, the students adequately represent Northwestern, but above all, they seek to be true representatives of the Lord Jesus Christ.

**MAIL** from "home" is a welcome treat for Barb Nelson!

**BETH BERGESON** is crowned Sno-Queen of the band. Her throne is provided for by Mother Nature, as is her lovely white gown.

**WITH HAT** and "specks," Mr. Bisdorf is prepared for the long day's journey.

**SOME PEOPLE** are no bigger than the luggage that is stored up on the top of the bus, so this is the nook that Beth is soon to occupy—thanks to their bus driver, Reuben.

LOOKING things over, Mr. McDonald decides the best tactics to use.

PHIL McDonald plays for his audience.

ROYALTY adorns the head table at the social, "Fantasy of Hearts."

## **FRIDAY, FEBRUARY, FANTASY... ALL ON THIRTEENTH**

FANTASY OF HEARTS was the theme for the all-school social held at the Boulevard Twins. Mr. Phil McDonald of Young Life was guest comedian and did a very adequate job at keeping his audience entertained. The coronation, program and food all added to a pleasurable evening.

**BARBARA BURKE, Queen of Fantasy of Hearts.**

**QUEEN** Barbara is pictured with her attendants, from left to right: Donna Johanson, Jan Rodacker, Shirley Martell.

**FACULTY** and students alike found the jokes and mannerisms of Phil McDonald "Too Much"!

**SENATE WARRIORS** came forth with their drums telling all that Chief Koch and his council were ready to go to "war" against the Park Bums on the Moyer war-path.

**TRAMPS . . .** garbage . . . food . . . mmmm! Those potato peelings and onion skins made such delicious soup!

**EVERY PARK** has to have some beachcombers and bathers, and Dr. Harry Stam is undecided as to which he belongs.

**LORING PARK** wouldn't be Loring Park without Ole Bull and his violin.

## **LONESOME BUMS INVADE WARRIOR CAMP**

MOYER GYM provided a full house and the Loring Park Bums and Senate Warriors provided a program and game that proved to be one of the highlights of the school year. The faculty entertained the student body and alumni from the garbage cans to the checker board.

TRAMPING all day gets to be a tiring job, and toes get bare and shoes get worn, as Tramp No. 1 (George Williams) and Tramp No. 2 (Dr. Tous-saint) find they must rest.

THE DAYS would be long and boring were it not for the game of checkers that Tim the Tramp (Mr. Fred Molkenthin) and Tiny the Tramp (Mr. W. B. Berntsen) enjoy so much!

**SOON** the buses will arrive and the choir will be on their way for two-and-a-half week tour.

**HOWARD** takes advantage of an opportunity to catch twenty-winks, because the days of tour are full and plenty tiring!

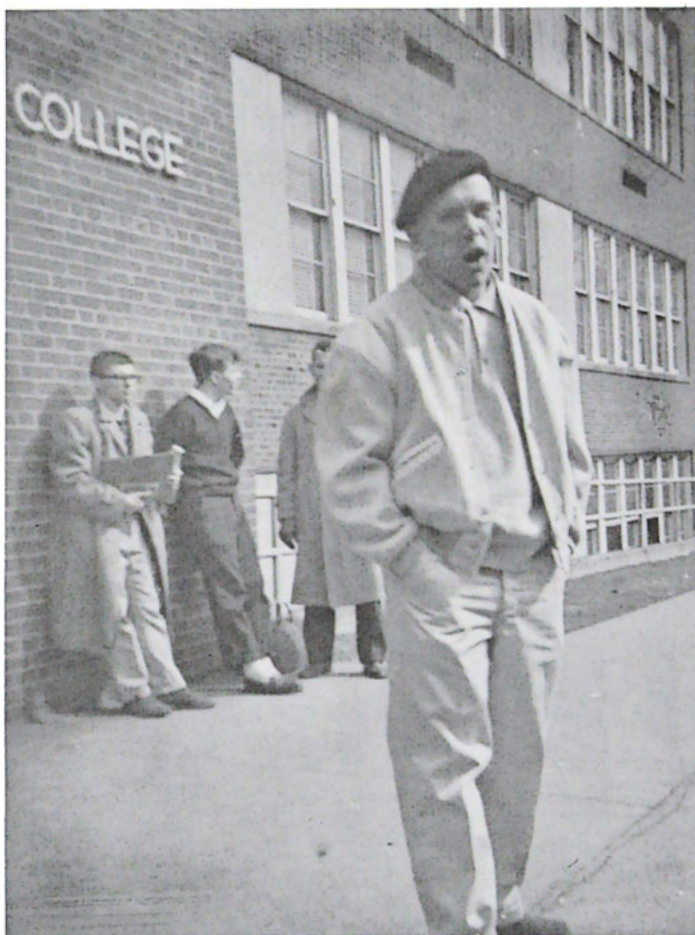

## **OFF WE GO FOR ANOTHER TOUR**

THE DAY HAS finally arrived! Long bus trips, unloading suitcases, pressing formal-wear and singing concerts all are a vital part of any Northwestern choir tour. Many states are visited leaving behind the gospel via song, and providing opportunity to serve the Lord, meet new faces and old friends, and have lots of fun.

**ONE OF THE TASKS** of tour is loading and unloading of suitcases from bus to cars, and from car to house, from house to room, from room to car, and from car to bus, only to be repeated again tomorrow.

"AW, COM'ON, let's take off!" Bob Wiley is ready to take off for parts unfamiliar.

KTIS RADIO station does a remote to see what the choir thinks of going on another tour. Bob Blanchard finds it stimulating and a blessing to have this privilege.

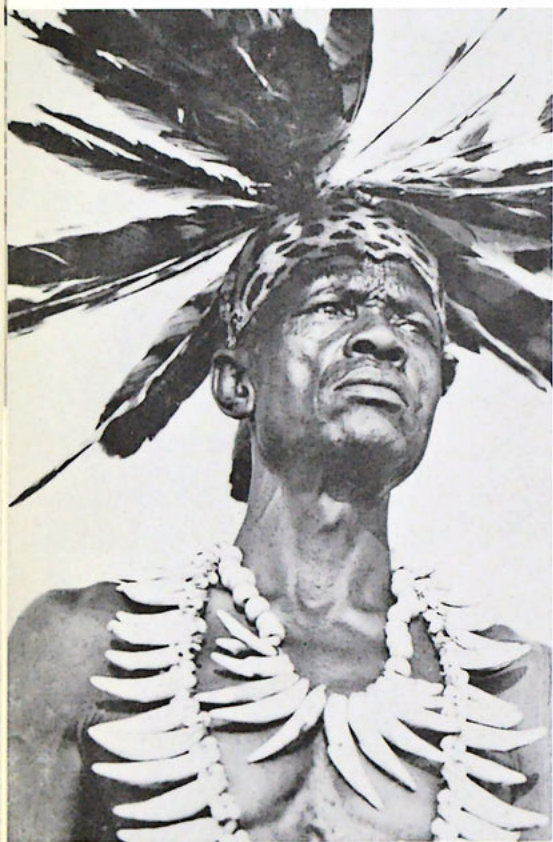

THIS IS a very unsafe position to find yourself in, for often, as Caroline Christianson knows, you don't wake up looking the same as you did when you went to sleep!

EVERY morning the choir meets at a certain place to again load the busses and be off for another destination.

**CONTACTS** must be made first with the Chief of a tribe. Often upon his acceptance of a missionary, the gospel is brought to a village or a tribe.

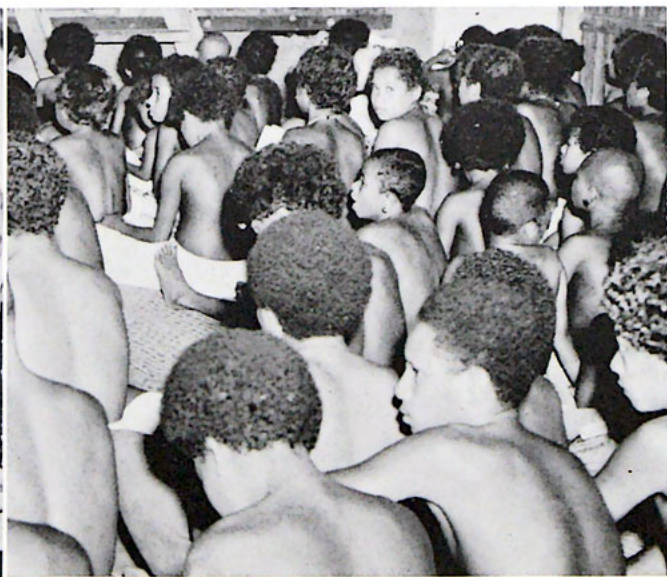

**MEN** are needed on the mission fields of today. God is still calling for the "harvest is plentiful . . ."

**THE IMPORTANCE** of Christian radio here or on the mission field cannot be stressed enough!

**IN NEW GUINEA** the natives come out to hear about the Christ Who died and yet lives to save men and women.

## **THIS GENERATION CAN ONLY REACH THIS GENERATION**

NORTHWESTERN COLLEGE each year has a Foreign Mission Conference. At this time missionaries from around the world are heard. Previous Scrolls have pictured the conference itself, but because the need is so great, we picture for you people *without* the gospel. These are men, women, boys and girls who are lost in sin. Yet, these are some of the people for whom our Saviour died. Will you accept the challenge to reach this present generation? "Moreover it is required in a steward that a man be found faithful." (I Cor. 4:2)

**THE NEED** is for trained workers to go back to teach their own people and reach them with the gospel, but missionaries are needed to prepare these workers for the task.

**WEARY BONES** came to rest in the "Loring Park Corner."

**EVEN THE COUSINS** got in on the first wedding anniversary of the Abner's, as they plunked for the party.

## **STRICTLY DOGPATCH!**

**STRICTLY DOGPATCH** was the theme that brought together the "Daisy-Mae's" and "L'il Abner's" for a social gathering in the gym. The men were already claimed by the patches they wore, and the atmosphere, clothing and program were in keeping with the theme.

**GRANDMAW** lectures granddaughter on the follies of catching a man.

**L'IL ABNER (Dick Morrow)** idly observes his first wedding anniversary by reading the women's fashion magazine from the big state of New York.

**THE CITIZENS** of Dogpatch laughed, looked, and applauded the program given in their large auditorium called the FAB.

**SOME WHO CAME** to Dogpatch were utterly amazed at the events that took place.

**PHYLLIS MURPHY** and Mel Hanson were winners of "The Best Dressed in Dogpatch Land."

A GOOD dinner of steak with all the trimmings was served and enjoyed by all.

MAURICE WESSMAN brought a challenging message to the town of Rileyville on our responsibility to Christ and to those who need our help around us.

BOB BLANCHARD played the part of the Mayor of Rileyville who was host to all the residents of the town.

## WELCOME TO RILEYVILLE . . .

EXCITEMENT reigned in Rileyville. In the town square, surrounded by shops in readiness for a great event, were gathered all the residents of the city, prepared to honor their Senior Citizens and to hear the eagerly awaited announcement of the citizen to whom special honor would be given. Through the doors of the quaint shops came people who displayed their goods. The unusual setting, coupled with clever presentation of the program of the evening, made this an event long to be remembered.

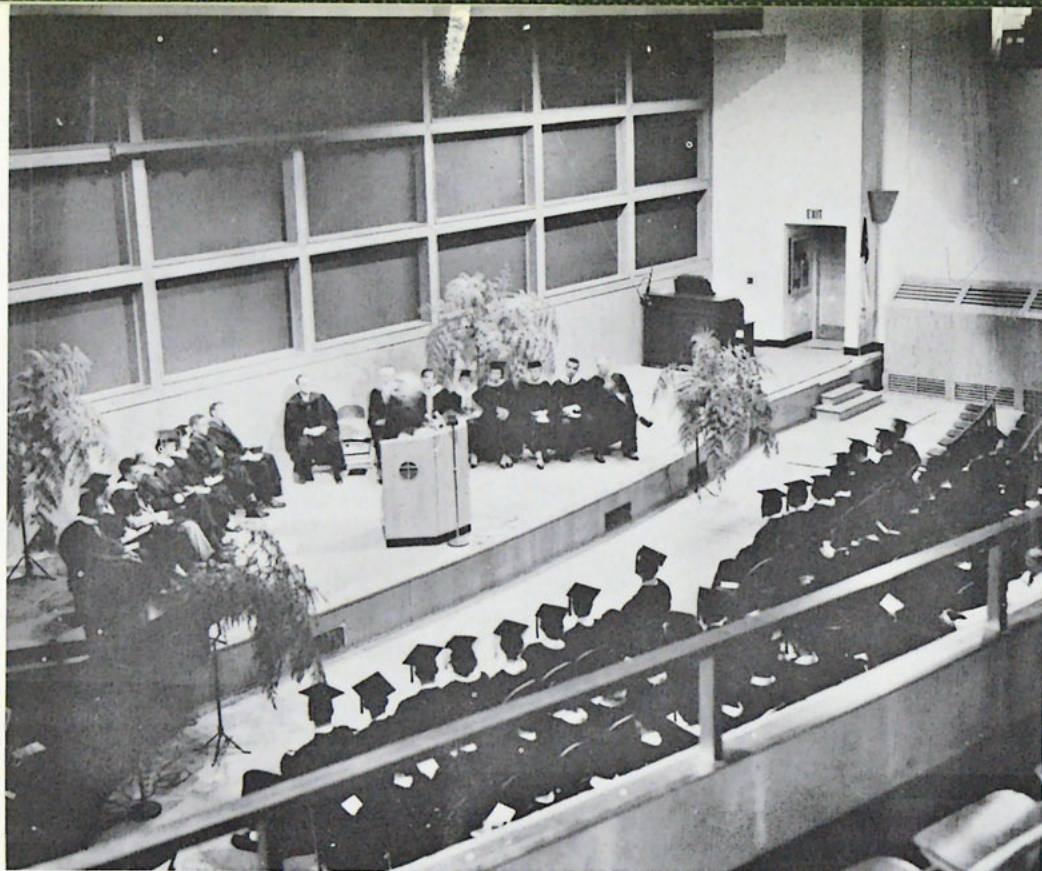

MRS. RILEY, wife of the founder of the town, was disclosed as dedicatee of the Scroll. Patti Wiens presented her with a bouquet of red roses as Jeannette Ballenger read the dedication message.

ALL THE MERCHANTS and business men had gathered to talk shop in front of the town hall, but ended up rendering some old time selections for the citizens of Rileyville.

MEMORIAL HALL is now a place where final exercises take place for the seniors.

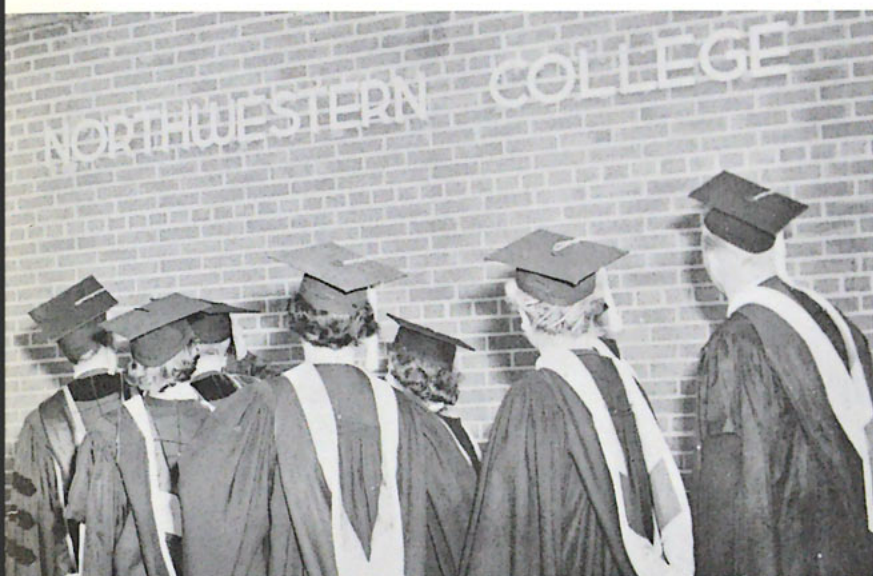

## **NORTHWESTERN HAS SOUGHT TO EQUIP YOU . . .**

NORTHWESTERN has sought to equip you . . . ! Seniors in retrospect realize how true this fact is. The college and faculty have sought faithfully under the discipline of the Lordship of Christ to assist in the spiritual, social, and academic preparation of a "prepared people" standing ready to move into whatever work their particular abilities under the call of God enable them to go. As they leave here, they are challenged to "unconscious efficiency" in living and serving Christ.

CAP AND GOWN day begins with the annual march through Loring Park.

**THE FACULTY** take time to view the Northwestern College sign.

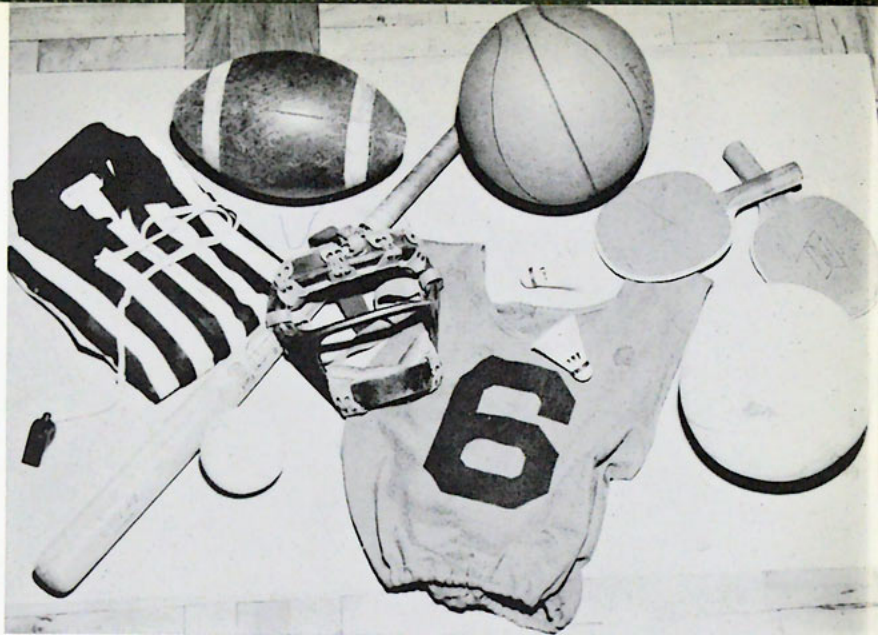

**THE PROCESSION** through the park is begun by the faculty . . . but who is out of step?

**DR. J. E. HARTILL**, Dr. Stanley Toussaint, Rev. George Darby, and Dr. Curtis B. Akenson discuss together the graduation events.

**CARL KREMER** sets mouth and paddle for return of Del's serve.

## INTRAMURALS

NORTHWESTERN's Intramural program provided opportunities for competition in sports for all students. In the fall the girls had a soft ball tournament and the boys played football. During the winter season the activities moved to the gymnasium and ping pong room with basketball for the boys and ping pong for both boys and girls.

Hey, buddy, watch out!

Don't just do something, stand there!

**NORTHWESTERN'S Varsity Cheerleaders from left to right are: Ray Kooyer, Barbara Bloomgren, LuAnn Bublitz, Barbara Burke and Bob Wiley.**

**JUNIOR VARSITY CHEERLEADERS from left to right are: Kim Baker, Joy Crow and Val Rogers.**

## **CHEERLEADERS**

**BACK ROW:** Maynard, Newville, John VanDixhorn, Steve Sheldon, Jerry Wahlen, Dennis Bragg, Ralph Young, Ronald Erickson, Gary Kern, coach Molkenthin. **FRONT ROW:** Don MacIntosh, Dwayne Cole, Joe Stift, Dan Hanson, Lee Judson, Maurice Wessman, Walt Green.

## **VARSITY BASKETBALL**

BASKETBALL 1958-59 was a season which was most impressive at times and again most disheartening. On the bright side of the picture were the victories over Pillsbury, a new rival this year; a road trip including Huntington College, Goshen College, Indiana Tech and Taylor University, and a more enthusiastic home crowd than in years past. The one loss to St. Paul Bible College and failure to defeat Bethel somewhat dimmed the picture.

Losing only one senior, Gary Kern, the Eagles should be stronger next year. They will be able to start an all-letterman team led by conference scoring champion John VanDixhorn.

**HEY, fellows, see what I've got!**

**PLEASE gimme the ball.**

**FACES strain as Eagles reign.**

**ONE man team.**

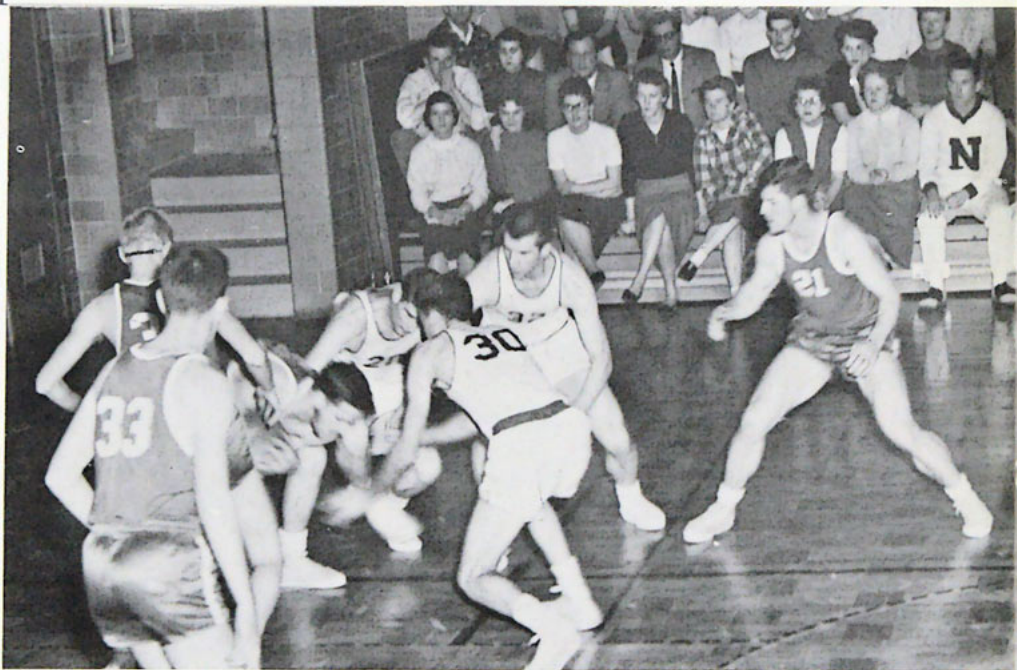

**WALT and Johnny fight to clear the boards.**

DENNY reaches high for tip-off.

GO AWAY! This is my ball!

LET'S NOT get all up in the air about this, fellas.

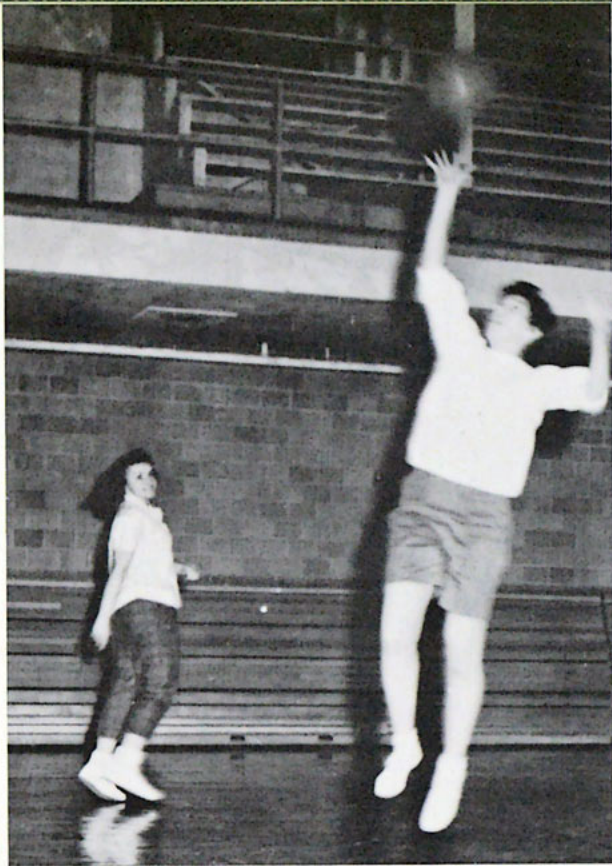

**LEFT TO RIGHT STANDING:** Glenda Geiszler, Virginia Priestley, Carol Pals, Janice Frank, Arlene Mortenson, Coach Molkenthin, Judy Jensen, Joyce Hotz, Naomi Erickson, Helen Zwemke, and Donna Bowers, **SEATED:** Sarah Hallock, JoAnn Franz, Pearl Goldman, Judy Drinkall, Betty Reynolds, Rita Neilson.

## **WOMEN'S BASKETBALL**

LED BY HIGH-SCORING senior Joyce Hotz, the women's basketball team ended another successful season. High-lighted by a win over cross-town rival Bethel, this season has been one that will be remembered for many years by a trio of girls who have been playing together for four years here at Northwestern. Graduation will take the one-two-three scoring punch found in Joyce Hotz, Donna Bowers, and Virginia Priestley. The girls have had a real time of fun and fellowship with other teams here in the Twin Cities. For the first time they made a road trip, going to Owatonna to play the Pillsbury Comets.

**DONNA** adds the umph!!

**"PRACTICE"** makes perfect.

**JUMP** Donna, jump

**THERE** she goes again!

## BASEBALL

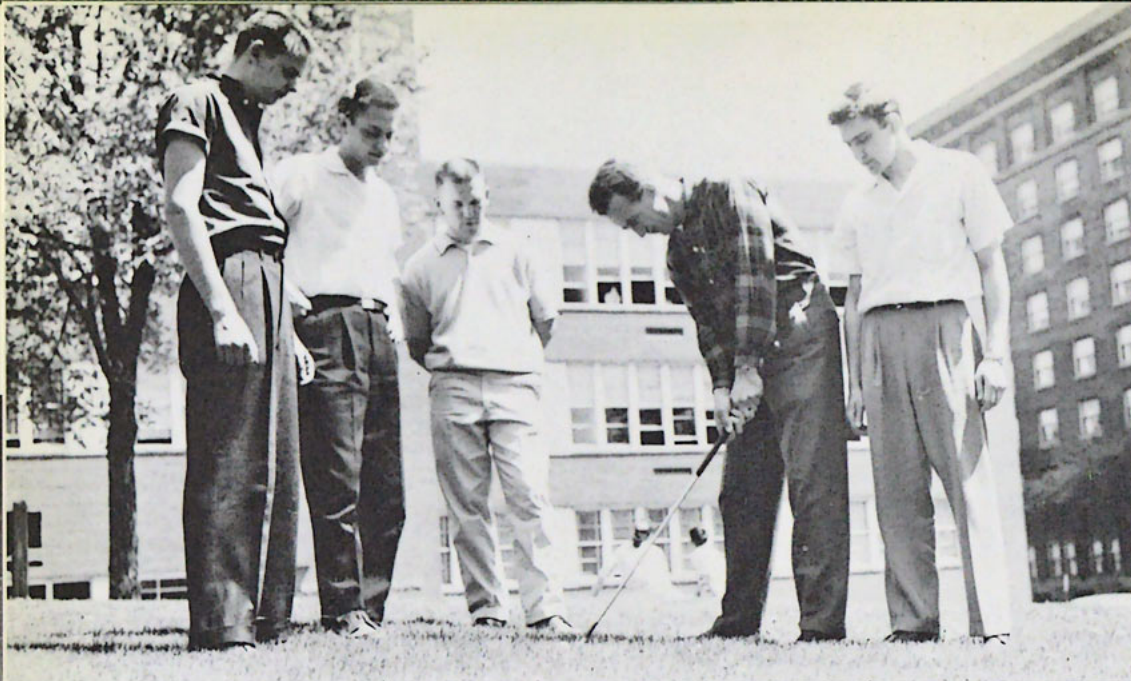

FROM LEFT TO RIGHT: STANDING, Coach Molkenthin, Jerry Berry, Jim Jensen, Maynard Newville, Elroy Pankratz, John VanDixhorn, Steve Sheldon, Denny Bragg, and Wally Schoon. SEATED, Bob Kremer, Morry Knutson, Ken Price, Dwayne Cole, Dale Johnson, Eugene Dick, and Don McIntosh.

DWAYNE digs in.

NORTHWESTERN COLLEGE baseball took a turn for the better when the team broke a losing streak spread over four years. Although they won only two games it must be considered a successful season in the light of past years. With the lettermen returning and the excellent freshman prospects, it looks as though they may be able to make a habit of winning, as they have of losing in the past.

## GOLF

FROM LEFT TO RIGHT: Leland Foote, Dave Lutter, Bob Wiley, Bob Blanchard and Dave Blank.

FROM LEFT TO RIGHT: John VanDixhorn, Bob Kremer, Denny Bragg and Sheldon Miller, members of the mile relay team.

JOHNNY AND BOB look on as Denny gets set in the starting blocks.

## TRACK

BOTH THE GOLF and track teams experienced the problem of lack of personnel. Golf, being a new sport at Northwestern, uncovered some new athletic interest and ability. The team did very well for their first year of competition. The track team finished third in the conference meet but failed to place near the top in any of their other meets.

**TENNIS:** Don Smithgal, Cam Floria, Clifford Olson, Jerry Wahlen, Ron Smithgal, Gil Pickens.

## TENNIS

NORTHWESTERN'S TENNIS TEAM, last year's Badger-Gopher Conference champions, lost three meets while winning five. Two of the losses were at the hands of a very talented Luther Seminary team. They also lost one to Bethel and won one from the Royals. Victories over Augsburg and Dr. Martin Luther College

rounded out the season. The Eagles lost their conference championship to Milton. Finishing second in the conference meet, they produced one champion in Cam Floria, who won the singles competition. An all-veteran squad promises a bright picture for the future.

**A LITTLE** relaxation after the afternoon's meet. The visitors are Auggies.

## ***Organizations***

COLLEGE students need fellowship. The soundest type of fellowship possible stems out of like interests. At Northwestern our main interest is in Jesus Christ. We find that Christ was One who grew "in stature and favor with men." The word "stature" includes not only physical size but also appearance and poise as well. What we do as individuals, what we do in a group, how we act, how we accept responsibility, how well we are able to assume leadership are all important phases of a well-balanced Christ-centered education.

Student government is in the unique position of being the only elected representative body on campus charged with general responsibility for student welfare. However, the field is so broad that student government does not operate in each area of this vast field of student welfare. The role of a student governing body is to handle certain programs and to see that other student organizations assume their particular role in such a way as to provide working harmony in all phases of extra-curricular activities.

We are convinced that well chosen activities provide a splendid opportunity for Christian fellowship, leadership and social development as useful servants of Christ. The joy of participating in various college activities is open to all students at Northwestern. An added joy comes in the knowledge of the fact that we are associating with Christians who are also seeking to serve Christ effectively.

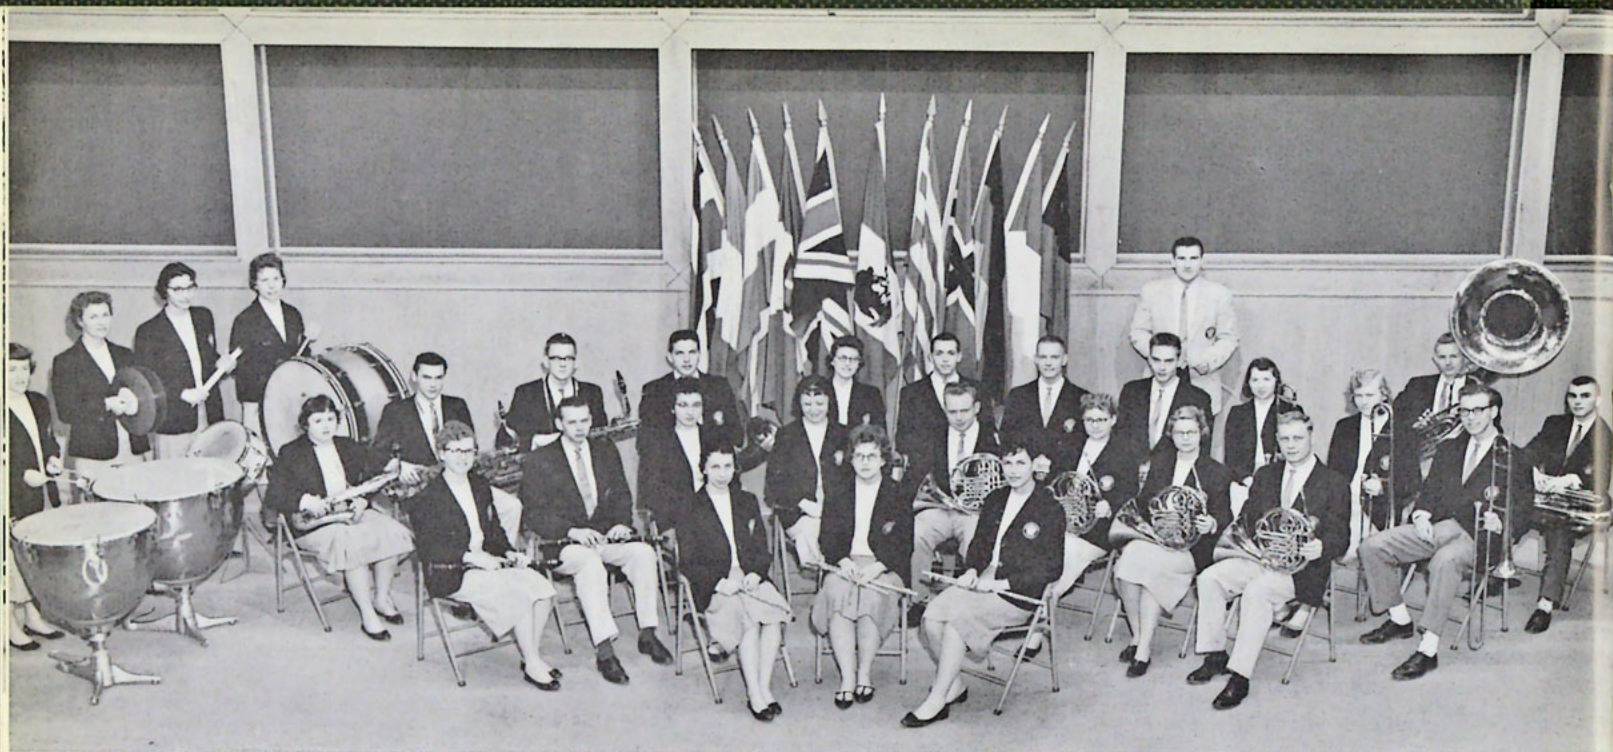

A factor which is of inestimable importance in future years for any young Christian is the valuable experience gained by the students participating directly in the function of each organization. Leadership development, assisting and advising in special presentations all contribute to our social and educational growth to help us learn how to genuinely associate with people and how to understand them, something which is so very important if we are to be useful in life for our Lord Jesus Christ.

Student Body President,

*Ray Hoch*

## TALKED THEIR WAY TO TOURNAMENTS . . .

DEBATE IS A GROWING organization at Northwestern College. This year out of twenty-eight debates only eight were lost, which adds up to a good debating season. Many hours of research and practice go into debate, but this helps train young men and women in self-expression and ability to think quickly and logically.

MARILYN Bergman and Wally Schoon continue research for their debates.

**FMF OFFICERS AND CABINET MEMBERS: BACK ROW:** Curtis Brandon, Sheldon Miller, Dr. Harry Stam, Dick Bergman, Lavern Bartell, Barton Bliss, Don Cox, Mr. Spencer Bower, Sam Fuller, Clyde Wilhite. **FRONT ROW:** JoAnne Hampton, Carolyn Wilhite, Glenda Geiszler, Marlene Melby, Barbara Burke, Janet Cole.

## **FOREIGN MISSIONS FELLOWSHIP & VISION**

FOREIGN MISSIONS FELLOWSHIP acts as a link between the students and foreign missionary work. Its duties and activities are numerous. FMF carries on correspondence with all Northwestern alumni on the field and keeps an up-to-date file on their prayer requests. Every year the FMF undertakes support of some new missionary project, and offerings are taken to advance this particular endeavor. Under the supervision of the FMF, the "Vision," a missionary paper published bi-monthly, also contributes to challenging the hearts of the students concerning Foreign Missionary work.

**VISION STAFF, LEFT TO RIGHT:** Judy Drinkall, editor, Nancy Cowles, Naomi Erickson, Jerry Berry, Louis Fluck, Mr. Mark Davis, advisor, Marilyn Zike, Loren Winchester.

## PRAYER BANDS & PRACTICAL WORK

FOUR EVENINGS a week, students of N. W. gather in the seven prayer bands to hear a challenge concerning missions and to pray for the alumni. The student has a choice in attending the Prayer Bands in the fields of Africa, Southeast Asia, Europe, India, Japan-Philippines, Latin America, and North America. Prayer requests are sent in by the missionaries, and recorded on prayer cards so that the student can pray for the missionaries individually.

Another area of service is presented through the Practical Work Office. Each week nearly 300 students have the responsibility of teaching a Sunday School class, etc. This is an opportunity to apply their classroom learning. Varied experiences thus encountered prepares the student to become a well-rounded citizen and useful Christian worker to his field of work.

**PRAYER BAND Leaders, Left to Right: Back Row: Darrell Lindow, Tom Thompson, Harold Sailer, Carl Hayes and Denny Bragg. Front Row: Marlene Melby, Doug Peters, Dean Jaeger.**

**THE MISSIONS** in the Loop area of Minneapolis provide spiritually stimulating places of service.

**WALLY SCHOON** is one of the students who go each week on Christian work assignments to further his ability to express adequately to others his love for Jesus Christ and Christ's love for them.

**FIRST BAPTIST** Church of Minneapolis makes an excellent setting for the KTIS radio station's Tenth Anniversary celebration.

## **GIVE THE WINDS A MIGHTY VOICE**

**RADIO STAFF: LEFT TO RIGHT:** Herb Roszhart, Gerald Harpham, Don Malley.

"GIVING THE WINDS a Mighty Voice" is the purpose of the three radio stations of the American Family Network. Little did the students who gave so sacrificially for the first station, KTIS, realize what a far outreach it would have ten years later. Station KTIS, Minneapolis, Minnesota, made its first broadcast on February 7, 1949. Since then, two more stations have been added: KNWS, Waterloo, Iowa, and KNFW, Fargo, N. D. The stations are operated on a non-profit, non-commercial basis and are supported by the gifts and contributions of their many faithful listeners and friends.

## ***Faculty & Administration***

**T**HE administration and faculty of Northwestern College are dedicated to the task of creating an environment that allows our goal of "Education for Christian Leadership," to become a reality.

This has been the program of its founder and still is today the guiding philosophy of the administration and faculty. The Bible, God's Word, continues to be at the core of the curriculum and is the indispensable dimension of this kind of education.

Briefly stated, the college stimulates the students' growth towards the above goal in three large areas:

1. *Spiritual.* In past years I have heard it said: "Northwestern students seem to have a sense of destiny;" "Northwestern students are different;" or, "I like the dependability of Northwestern students."

It is no accident that Northwestern graduates are in all parts of the world "sowing the seed" and laboring "in His vineyard." Through the spiritual emphasis of the classroom and daily chapel services, Northwestern students early learn that commitment to Jesus Christ brings responsibility to serve Him. Weekly practical work assignments give further opportunities of Christian witness and spiritual growth.

2. *Academic.* Regardless of the subject matter area, the faculty is committed to Jesus Christ and the Word of God and seeks to coordinate and integrate all knowledge into His divine plan for mankind. High standards of intellectual attainment are encouraged, realizing that God needs well prepared servants in all facets of life.

3. *Social.* A Christian leader can be much more effective if he loves people and likes to be with them. Through the many social events such as fall and spring formal banquets, parties, etc., Northwestern students are encouraged to develop the social graces and ease in meeting people. Administration and faculty realize that the social side of college life is of utmost importance in fulfilling the goal of "Education for Christian Leadership."

THE BOARD OF DIRECTORS has legal responsibility for the College and is the group which formulates the policies by which Northwestern carries on its educational program and radio ministry. The thirty-one members of the Board, drawn from seven denominational groups, reflect Northwestern's evangelical, conservative, protestant, interdenominational character. Every director is a personally committed Christian who subscribes to the statement of faith of the College. The members bring to the Board a desirable variety of experience in the pastorate, business, public office, education and the learned professions.

The Board of Directors chooses the President of the College and confirms the choices he makes of his colleagues. The President and his chief associates thus become "the administration." The Administration, chosen for its Christian character, professional competence and personal integrity, is responsible to the Board of Directors for operating the educational life, radio service and other ministries of the College in faithful, impartial application of the policies declared by the Directorate.

The Student Body expresses its gratitude to God for the Board of Directors and for the Administration of the College, and pledges itself to faithful prayer on their behalf.

FROM FRESHMAN BIBLE Survey to Senior Seminar, the Bible Department is preparing young men and women to present the truth in all walks of life. Countless studies in the English Bible supplemented by a study of Greek provide the students with a thorough knowledge of the Word of God.

The Missions department challenges the student to look beyond the horizon for others. Its realistic studies in missionary procedures and general information prepares the student for the "unknown" as a missionary or equips him to serve as an intelligent, prayerful supporter of those who do go.

"TEACHERS are needed desperately" seems to be the cry of our day. The Elementary Education Department at Northwestern is busy answering this call. Each year well-trained teachers are graduated and placed in the schools of our nation. Rigorous are the training classes, but well worth while when practice-teaching rolls around.

Teachers of another kind are prepared by the Christian Education Department where instruction in Bible teaching is emphasized. Graduates from this course find unlimited opportunities in Bible Clubs, churches, Sunday Schools and Missionary work.

Commercial Education offers a two-year certificate in preparation for office work — whether in the business world or within the church. At the same time, a student receives a comprehensive training in Bible studies thus providing a worthwhile combination for young people today.

MAN, THE SOCIAL BEING of the universe, learns more of himself and his fellow men through the study of the social sciences: history, geography, anthropology, political science, sociology and other related fields.

The student keenly aware of his place in the universe is the student well prepared to meet a world of increasing complexity and technology. This awareness is fostered by the Department of Social Sciences of the College.

The Social Sciences are taught at Northwestern College with the Christian philosophy of education in view. The impact of the Christian message upon the history of man's development and upon his hopes for the future are also kept to the fore by the department.

## ENGLISH

COULD ENGLISH be that interesting?? Or is it Mr. Davis?

A WELL ORGANIZED English Department is essential in education for Christian leadership. The main purpose of the department is to help students become skillful in using the English language. (This is a "must" in our highly educated society of today.)

Students learn to appreciate the rich literary heritage that is theirs and to learn to incorporate into their own philosophy the ideas of great men who lived before them.

Northwestern students also have an opportunity of learning how to organize and express their thoughts in clear, concise language. This gives practice in thinking for themselves, and also practice in evaluating critically the ideas of others.

## SPEECH

FORENSICS play an important part in the work of the Speech Department. Participation in both intra-mural and inter-collegiate debate is encouraged among the students and the number thus participating is evidence of the way in which it has been received. Debating their way through the Twin City League, the teams are then eligible for meetings with other college groups in the northwest, and they have upon occasion been invited to participate in national debates. Extemporaneous speaking, oratory, radio broadcasting, story telling, all have their place in the field of Speech.

## MUSIC

THE MUSIC DEPARTMENT has dedicated its objectives to that of preparing young people for competent and consecrated leadership in the ministry of music. Courses are designed to include both elements of general culture and individual accomplishment. In addition to the regular class periods, choir, band, music recitals, quartets and other musical ensembles play an important role in helping the student develop his talent in this particular field of study.

MR. "B" could it be that bad?

## GENERAL STUDIES

THE DEPARTMENT OF General Studies of Northwestern College includes the physical sciences, the mathematical sciences, freshman courses in elementary English and parliamentary law and practice. These are for the most part basic courses which acquaint the student with these areas of study.

## ***Classes***

**T**HE realization of Christian leadership is an evolving experience. From the first days at Northwestern to the eventful day of graduation we students are aware of the awesome privilege and responsibility of leadership in the cause of Christ.

We seniors are keenly conscious of the approaching responsibilities of Christian leadership. Having completed the prescribed courses for graduation, we are sobered by the tremendous challenge of the opportunity for Godly leadership in our day.

Juniors realize there is but one year and yet so much to learn.

For many sophomores the decision must now be made: "What should be my major field of study in preparation for Christian leadership?"

The freshman feels relieved that his first year is past. He sees three long years ahead. We seniors looking back know all too well those three years will pass quickly. We also know that the need for Christian leaders is imperative — leaders who are "thoroughly furnished unto every good work."

*Howard L. Horgaard*

## SENIORS

CONGRATULATIONS, GRADUATES!

As you stand ready to go through doors God has opened or will be opening for you, you may well wonder what life holds in store; you tremble as you realize your inadequacy in spite of your training of the past years. You have so much to give the world because of Christ's gifts to you. You have studied to show yourself approved unto God; you rejoice in His love and the blessing of serving Him. You as seniors will be scattered far and wide; to you will come happiness, laughter and your share of sorrow and tears, but you will have the peace which passes all understanding. Sometimes you will wonder if it is worth it all — the circumstances will seem overwhelming. Then He will bring to your remembrance that you have a compassionate Christ who has suffered for you. The world will watch and not be too understanding should you stumble along the way, but your experience will be "grace to help in time of need." You will thus be able to face the defeats and disappointments of the way secure in Him. The Good News must travel. Time is short; the doors may soon be closed, never to open again. Northwestern under God's guiding hand has prepared you to enter through the doors to fulfill His purpose for you.

## **HISTORY AND PURPOSE OF THE COLLEGE**

### **Northwestern College** MINNEAPOLIS, MINNESOTA

At about the time history was making its turn into the twentieth century, seven people went to their pastor with an urgent desire for Bible study that exceeded the possibilities of pulpit ministry. Their goal was readiness for living more informed and dedicated lives under the Lordship of Christ. William Bell Riley, D.D., the distinguished pastor of First Baptist Church of Minneapolis, responded, and later, in October, 1902, seven students and two professors became the first student body and faculty of newly incorporated, interdenominational Northwestern Bible and Missionary Training School.

The founder and first student body conceived and developed the program with a purpose that has continued to guide Northwestern College. They believed in "Education for Christian Leadership," with the Bible, God's Word, as the indispensable dimension of that education, as have the succeeding generations of teachers and students.

With the passing years Northwestern has raised its admissions standards, has strengthened its work and curriculum in fields collateral to the Bible, and has changed its name to Northwestern College. But "Education for Christian Leadership" remains as Northwestern's abiding purpose. Now more than ever, the total resources of Northwestern's facilities and personnel are directed toward the single purpose of helping qualified young people ready themselves for dedicated Christian living and leadership in the contemporary world.

## AIMS AND OBJECTIVES

*The General Aims* For the continuous realization of its purpose, Northwestern College has an organized educational program through which it seeks to fulfill the following aims:

To give every student an opportunity to study the Bible and Christian Missions under competent teachers, committed by personal belief to an emphasis upon the infallibility of the Bible as the Word of God, upon the Lordship of Christ as Savior, and upon the Holy Spirit's continuing work in the life of the Christian believer.

To provide an atmosphere free of coercion but conducive to facing issues and personal decisions involved in life service under the discipline of the Lordship of Christ.

To offer every student the basic collegiate-level general education courses in communications, social science, and natural science most useful to his personal development and to the effective ministry of God's Word.

To guide every student toward tolerance and skill in understanding and evaluating the opinions of others, while he himself holds to the Biblical view of the world, of man, and of man's culture.

To enable every student who completes the program to concentrate in one academic field and to acquire the techniques of independent work and research usually associated with that field.

To help every student select a career-goal appropriate to the abilities and to the time he has to invest in his college training and to obtain adequate preparation for entrance into this vocation or profession or into advanced study programs aimed at this field.

To aid every student in developing a wholesome Christian personality and physical well-being through participation in social, devotional and recreational activities.

To motivate every student toward an active citizenship that includes constructive community participation and responsible international understanding.

*The Academic Program* The College offers training at the undergraduate level in several subject-matter fields, as well as a program especially designed for students expecting to enter the ministry. These various programs are recognized by the award of the B.A. degree.

Also offered are vocational sequences leading to professional degrees in Bible, Christian Education, Christian Missions, Elementary Education and Music Education. A two-year certificate in Commercial Education is offered.

## DOCTRINAL STATEMENT

The members of both Board and Faculty of Northwestern College subscribe yearly to the doctrinal statement of the College.

- I. We believe in the Scriptures of the Old and New Testaments as verbally inspired of God, and inerrant in the original writings, and that they are of supreme and final authority in faith and life.
- II. We believe in one God, eternally existing in three persons — Father, Son and Holy Spirit.
- III. We believe that Jesus Christ was begotten by the Holy Spirit, and born of the Virgin Mary, and is true God and true man.
- IV. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God, and that all human beings are born with a sinful nature, and, in case of those who reach moral responsibility, become sinners in thought, word and deed.
- V. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.
- VI. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and in His present life there for us, as High Priest and Advocate.
- VII. We believe in "that blessed hope," the personal, pre-millennial and imminent return of our Lord and Savior Jesus Christ.
- VIII. We believe that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God.
- IX. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious punishment of the lost.
